**Individuals eligible in Phases 1
and 2 will continue to be
prioritized for appointments at
mass vaccination sites.**

A map of Maryland showing the locations of various vaccination sites. The map is overlaid with a grid of colored pins. The legend on the left indicates that green pins represent Pharmacies, orange pins represent Mass Vaccination Sites, blue pins represent Hospital Sites, yellow pins represent Local Health Departments, and purple pins represent Assisted Living Facilities. The pins are densely clustered in the central and eastern parts of the state, particularly around the Baltimore and Washington, D.C. areas, and more sparsely distributed in the western and northern parts of the state. The map also shows major roads, water bodies, and county boundaries.
